ARNOLD, can be summed up in one word "Bro". That's exactly how everyone relates to this champion. The everyday guy for the everyday Malaysian found his way into HITZ Morning Crew as one usually does; simply wake up one morning and decide "I wanna be a radio announcer". As fate would have it, best decision ever. His general perspective of life and opinions keep mornings fresh, with listeners in stitches.

ANNE

ANNE, loud, feisty and dramatic is all you need to describe her! With her bright highlighter Pink hair, you won't miss her in person and on Tik Tok! Makeup is totally her thing, but she's still trying to look for the perfect foundation shade. If you ever need to get her something for her birthday, think The Weeknd, she loves him so much her socials are named after him! (@theweekanne).

RAJ

Raj

RAJ, your resident Geek is in the building! Need to know a trivia from any of the Star Wars movies? Raj will gladly give you a full lesson + a tour of his memorabilia with one condition: just don't touch them. He's fluent in 3 languages, English, Bahasa Malaysia and Sarcasm. (He's also learning Mandarin at the moment). On the weekends, you can find Raj exploring the streets of Kuala Lumpur, trying new food and breaking friendships overboard games.

THE TALENTS

Zher

[FB](#): 5.1K Followers
[IG](#): 43.2K Followers

ZHER, never says no to traveling, baked goods and Alexander Skarsgård (really?). She's also a confused hipster because she spends her free time juicing and listening to vinyl but loves dancing to Ariana Grande.

Calista

[FB](#): 8.5K Followers
[IG](#): 17.2K Followers

CALISTA, may be petite, but make no mistake, this girl's huge on character! Serving up her unique blend of sweet and bubbly as announcer at HITZ Sabah, Calista's craving got the better of her — and decide to trade the tropical islands for the big city lights of Kuala Lumpur, Now she's with the team, revived up and ready to keep you entertained with the biggest hits, the weirdest beauty trends, and all kinds of randomness!

Keanu

[IG](#): 22.4K Followers

KEANU's not into football and superhero movies but he's a sucker for rom coms, gossipy news and teen TV shows. He's often dubbed as the noisiest and most panicky person in the room but he's trying his best to become calmer in 2019. Keanu's also 22 years old and has never tried banana leaf in his life (Really?).

Ili

[IG](#): 59.4K Followers

ILI, is always known as the ball of sunshine whether on radio, TikTok, Instagram or even through her music. That's just how versatile this young star is, she does radio, she sings and is also an up-and-coming social media star. But don't be fooled by her petite size and cute personality, this girl even rock climbs, believe it or not.
